

## Reseller Brainstorm Master Reseller Licence

Congratulations you now own an official Master Reseller Licence to my audio and video based training course Reseller Brainstorm

*Simon Hodgkinson*

This Document Is **For Your Own Personal Use** – Please **Do Not** Distribute The Reseller Materials Along With The Disc.

You have received the **Master Reseller Disc** and you may simply replicate and distribute this to your own customers who will be able to register for their own licence (and receive the reseller pack) by simply clicking on the special link inside their CdRom. *(Managing licences in this way I can ensure all resellers receive the latest materials whenever they order the disc).*

**I highly recommend** you use a service like Kunaki.com to handle the production and fulfilment of your orders - If you visit the link below you can learn a lot more about their services in my video course ' **Product Creation Secrets** ' (these videos will show you how to get the very best from this service) Here's the link: [Product Creation Secrets](#) Use this code to get a discount: **secretpass**
